Mobile & Static Guarding

Manned Security

We provide highly visible mobile and static manned security guarding services, with all our personnel internally trained in specialist patrolling courses, and are SIA Licensed.

We can provide enhanced service levels including the use of Rapid Deployment Systems, mobile CCTV, and the latest perimeter security solutions linked to our own 24/7 control centre.

Security Management

Need to make the most of your budget without sacrificing quality and standard. We have created a level of services by tailoring solutions to your budget restraints, this may include the use of technology solutions to aid mobile guards on your site.

Our guards undergo bespoke training in house for the required sector:

- Power of arrest
- Stop and Search

We recognise the need for a secure working environment. Black Diamond offers a range of positions including:

- Shift Supervisors
- Entry Control Point (ECP) Guards

Our well trained, qualified mobile team, allow for safe movement across high-risk environments and sites.

Event Security & Crowd Management

We can provide crowd management packages tailored to your requirements, removing the stress and assisting in the development of the event or venue to match your aspirations.

As a leading crowd management specialist, we have the experience and expertise to plan and implement all the elements of successful event security, including emergency services liaison, ingress and egress, pit team requirements, steward numbers and much more.

We can provide solutions for:

- Manufacturing sector
- Industrial sector
- Logistics and Distribution sector
- Commercial sector
- Construction and Utilities sector
- Residential
- Retail sector
- Environment & Waste sector
- Education sector
- Corporate Sector
- Private Sector
- Public Sector
