Security Evolved

PROTECTION ◆ PEOPLE ◆ PROPERTY ◆ PLANT

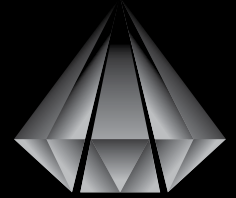

Welcome to Black Diamond Security Ltd

Black Diamond Security provides technology led security solutions, to a number of key market sectors, focussing on Asset Protection, People, Property and Plant.

The business is unique in the provision of Professional Security Services, when compared to the general market place within the UK in that:

- ◆ Our assessment of your security needs is paramount in the selection of the services we offer, and are tailored to your requirements.
- ◆ Technology Led Solutions are used in every case to complement, the deployment of personnel.
- ◆ All our personnel are not only SIA Trained and Licensed, but undergo significant further bespoke training, again tailored to your specific assignment.

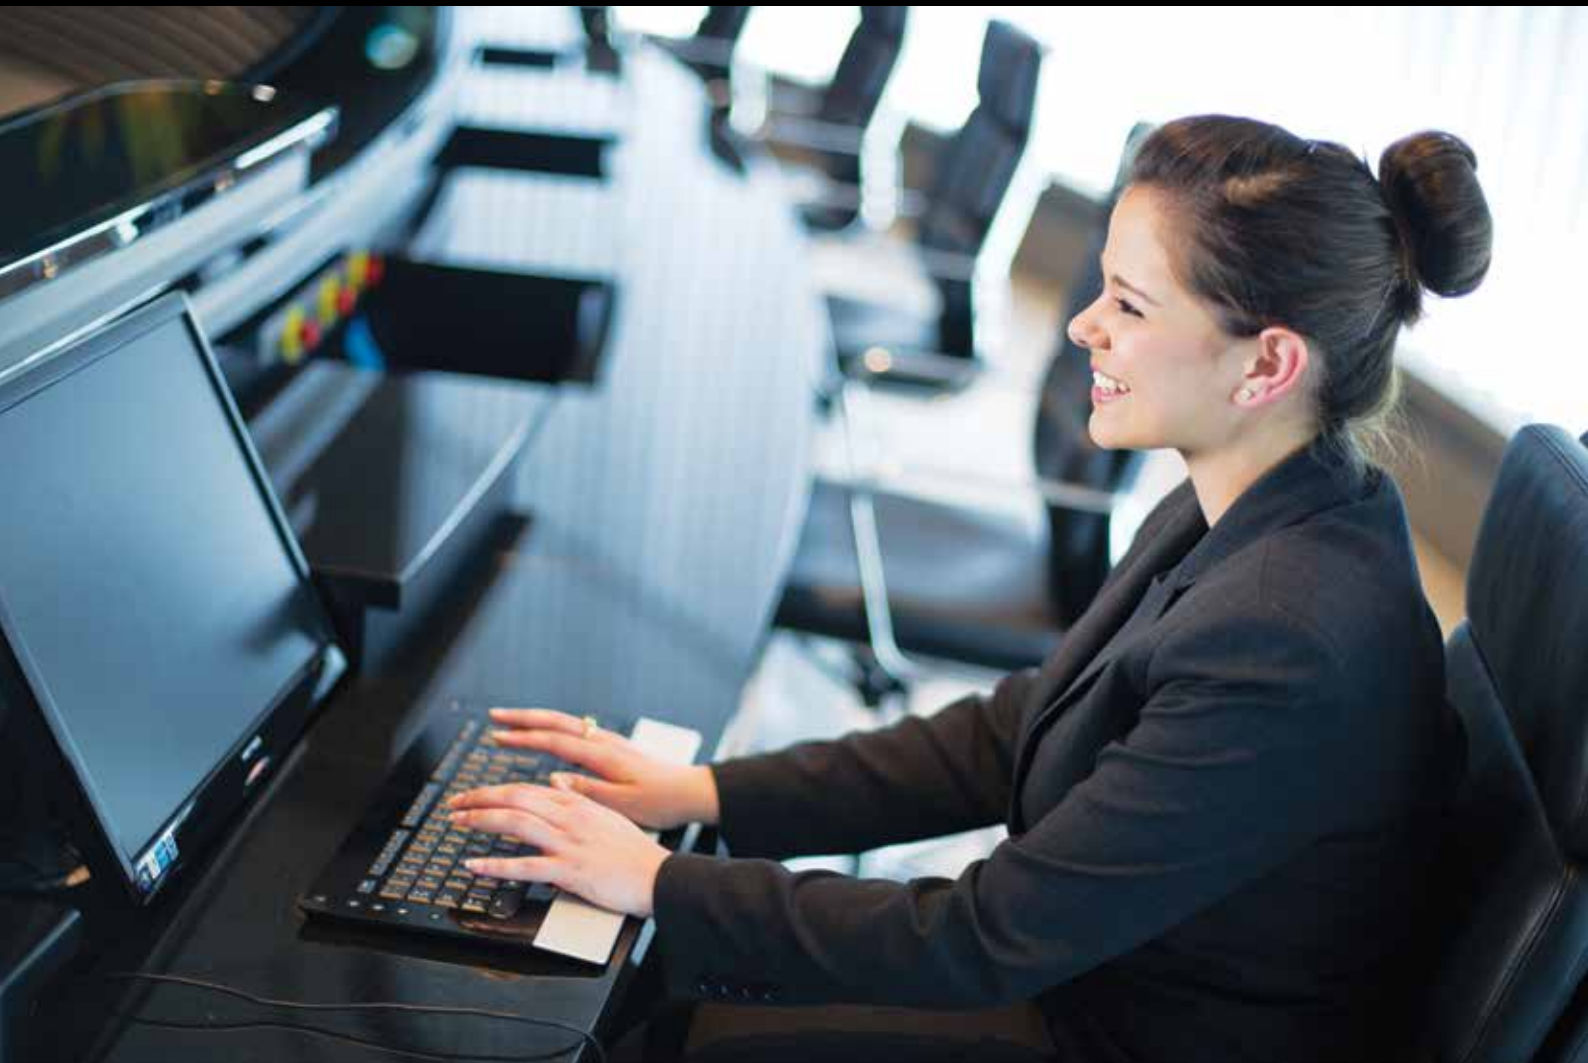

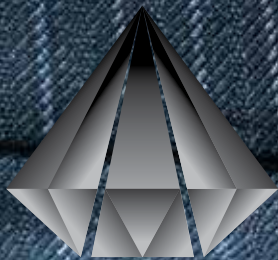

- ◆ All our personnel are mentored and trained so they can use the legal powers at their disposal including Powers of Arrest and Conflict Management.
- ◆ We also provide for all our assignments, risk assessments, safe systems of work (rimini planning), work package plans, and specific task briefs.

Services Offered

- ◆ Reception & Concierge
- ◆ Commercial Guarding
- ◆ Sector Specific Guarding
- ◆ VIP Close Protection
- ◆ Canine Patrols
- ◆ Technology Led Solutions
